MAXIFY MEGATANK RANGE PRODUCT BENEFITS

MAXIFY MegaTank small business printers can save you money.

Mega value, Mega efficiency, Mega versatility – it's no wonder why MAXIFY MegaTank printers can help businesses thrive. Whether you're an employee working remotely from home, part of a small business office, or in a co-working environment, there are several ways the Canon MAXIFY MegaTank printers can benefit you.

LOW-COST HIGH YIELD

Built-in, refillable ink tanks with exceptionally high-yield bottles. The printers also come with Economy mode for an even higher yield.

SECURITY

- Document Security Features
 - Network Security
 - WPA3 support
 - TLS Encryption
- TLS Version Selection (select models)

COST PER REFILLS

Cost per refills is as low as \$0.0072.
Costs are between:

	Economy mode	Standard mode
Black	\$0.0072	\$0.011
Colour	\$0.014	\$0.020

*Cost per refills is calculated based on:
Black – (RRP of GI-66 black ink / page yield).
Colour – (RRP of GI-66 colour ink / page yield) x 3 colours + (RRP of a bottle of GI-66 black ink / page yield).

MAINTENANCE

Easily maintained by user with user replaceable Maintenance cartridges, print heads and paper feed roller.

QUALITY INKS

- High durability (Ink certified to ISO 11798*)
 - Water and marker resistant
 - No bleed through on duplex
 - Colours are vibrant and have improved readability

*Functionality may vary by model.

LOW POWER CONSUMPTION

Printing power consumption between 18 to 23W.

THE CANON DIFFERENCE

Canon is Australia's most trusted home printer brand.*

PRINT ASSIST

Your one-stop destination for help with setting-up, replacing, or getting more out of your Canon printer.

MAKING SETUP EASIER

Simple step-by-step tips and instructions to help you get setup and printing in no time.

REPLACEMENT PROMISE

Within the applicable manufacturer warranty period, we'll replace it with the same, or an equivalent model free-of-charge (excludes damage caused by external factors).

To check your eligibility, please visit www.canon.com.au/warranty.*

CANON GENUINE INK

Functions seamlessly with your Canon printer and designed for Superior Performance.

QUALITY AND CONSISTENCY

Produce exceptionally vibrant colours and crystal-clear deep colours that are beautifully accurate.

RELIABILITY

Guard your Canon Printer against damage and possible machine malfunction.

LONGER LASTING PRINTS

ChromaLife 100+ system can preserve the colour and quality of your favourite images for up to 300 years.*

SUSTAINABILITY

We partner with Planet Ark to provide you with a free, easy and environmentally accredited way to recycle your Genuine Canon ink cartridges.

POSTER ARTIST

An easy to use online poster creation software is compatible with a wide range of Canon printers.

EASILY DESIGN AND CUSTOMISE WITH PRE-SET TEMPLATES

The software provides you with a range of templates so all you need to do is change the colour, text and photo on your favorite template.

AUTO DESIGN FUNCTION MINIMISES YOUR POSTER PREPARATION TIME

Using the auto design function, PosterArtist takes your photos and text to create a poster or banner automatically for you.
